

PRINGLETM
ROBOTICS

CC1

CC1 is a complete floor cleaning solution for multiple flooring types, including low-pile carpet and hard floors. Autonomously clean floors on set schedules, or switch to manual mode for spot cleaning.

Cleans a variety of indoor facilities with ease

CC1 handles 4 jobs in 1

Sweep

Scrub

Vacuum

Mop

With CC1 on the job, floors get cleaned automatically, reducing janitorial costs and giving staff time to focus on other tasks. Advanced object avoidance technology means CC1 is safe to operate in busy facilities, 24/7.

The most versatile floor cleaning robot on the market

Auto, mobile and self-cleaning workstations
