

# Facility Floor Care Rental Program

All the Benefits. None of the Upfront Cost.

Automated floor cleaning is a proven way for businesses and facilities to do more with limited janitorial staff. But adding this high-tech equipment to CapEx isn't always feasible.

Now you can get the benefits of automated floor cleaning at a monthly rate that easily fits into budgets.

## What You Get

A Pringle Robotics CC1 Pro multipurpose floor cleaning robot + automatic workstation.

Replacement parts, repairs and preventive maintenance performed by our certified technicians.

1-year and 2-year contract options, with additional options to include consumables at a 10% discount.

# About the CC1Pro

The new CC1 Pro builds upon the robust design of the best-selling Pudu CC1, integrating advanced AI perception and control systems to deliver a fully automated, closed-loop cleaning process.

## Quick Stats:

- Covers up to 10,000 ft<sup>2</sup>/hr
- Vacuum, mop, scrub, sweep
- Use on hard floors and low-pile carpet
- AI real-time cleaning performance detection
- AI adaptive cleaning + AI spot cleaning
- Auto workstation included to charge, dump & refill water

## Rental Program Details

| Daily Average Run Time | Monthly Price - 2-Year Contract | Monthly Price - 2-Year Contract (w/ consumables) | Monthly Price - 1-Year Contract | Monthly Price - 1-Year Contract (w/ consumables) | Installation Cost |
|------------------------|---------------------------------|--------------------------------------------------|---------------------------------|--------------------------------------------------|-------------------|
| 2 Hours or Less        | \$753.85                        | \$834.85                                         | \$904.62                        | \$985.62                                         | \$850             |
| 2 – 4 Hours            | \$809.92                        | \$890.92                                         | \$971.90                        | \$998.90                                         | \$1,200           |
| Over 4 Hours           | \$907.41                        | \$988.41                                         | \$1,088.89                      | \$1,169.89                                       | \$1,500           |
